Office of the Deputy Director for Intelligence

DDI- 07043-84

NOTE TO:   
Executive Secretary

25X1

SUBJECT: Annual Defense Report

Attached are some specific changes to the draft based on the recent SNIE on Chemical Warfare. I have looked through the rest of the text and can find a lot of miscellaneous problems. Most of them involve exaggerations, embellishments on the truth and polemic statements to support defense programs. I don't know how to help this document be more accurate or supportable by intelligence. It is a propaganda document.
